What do we all have in common???

Adventure Rally Challenges

Hop on Board and Complete Challenge #1 En Route

Challenge #1

It's time to hit the road not to mention your "think tanks". On this adventure you will explore the International Drive Resort Area! During your first "trolley hop", take a moment to get to know your teammate (and earn points too)!

All of us have something in common. Now it's time to discover what characteristics you and your fellow teammates share. Find Five "commonalities" and list them below. Your team will be rewarded 10 points for each characteristic listed that is not duplicated by the other teams. Remember, no points are awarded for the obvious characteristics (i.e. we all have 10 fingers etc.)!

Example: We all have at least one niece or nephew.

1. Visited Atlanta, GA
2. More than 1 car in lifetime.
3. Everyone is over age 35.
4. Everyone is right-handed.
5. Everyone has been married (at least once :"))
Everyone has been fingerprinted.
