NEW BRITISH INSPIRED PUB OPENING AT POINTE ORLANDO

The Pub Orlando Will Feature “Pour Your Own Beer” Wall

ORLANDO (August 23, 2011) – Centro Properties Group, one of the premier real estate companies in the United States has announced The Pub Orlando, a British inspired restaurant and bar, as its newest tenant at Pointe Orlando. Located on the property between The Oceanaire Seafood Room and Cuba Libre Restaurant and Rum Bar, The Pub Orlando will occupy 7,975 square feet and seat approximately 220 patrons. The venue is scheduled to open during the first quarter of 2012 and anticipates hiring 90 employees.

Conceived by Cincinnati based restaurateur Nick Sanders, The Pub concept was born out of his love for British Commonwealth as well as his inspiration from the many gastropubs he visited throughout London. The menu incorporates innovative pub cuisine, as well as more traditional fare and an extensive beverage selection, in a high-energy atmosphere. Taking pub cuisine to a new level, the menu will offer a wide variety of appetizers, salads, sandwiches, burgers and classic pub fare such as fish & chips, bangers and mash and shepherd’s pie.

“We go to great lengths to create an atmosphere that is authentic, warm and inviting,” says Ron Nelson, VP of Employee Enrichment and Cultural Integrity. “We provide our guests with outstanding food and service, affordable prices and a memorable experience.”

The extensive beverage selection requires detailed research to create a beer list that is unique to each Pub. Guests can sample a wide variety of draught, cask conditioned and handcrafted beers with selections from England, Ireland, Scotland, Europe and the US. In addition, there is a comprehensive list of single malt scotches, small batch and single barrel bourbon, wine and specialty cocktails.

The Pub Orlando will feature two “Pour Your Own Beer Wall” taps offering numerous beer selections and providing guests with the opportunity to draw their own draught, sample and pay by the ounce and have an interactive experience. The exterior is modeled after classic corner pubs of London with the interior consisting of furniture and accessories from Britain. The Pub’s centerpiece is a handcrafted bar with Optic Pourers native to the inverted pouring system that originated in Europe. The restaurant will include an outdoor patio, raised “King’s Table”, accommodate groups of all sizes including semi-private areas.

“The Pub will complement our already exciting mix of shopping, dining and entertainment choices at Pointe Orlando,” says Susan Godorov, General Manager, Pointe Orlando. The Pub Orlando is Tavern Restaurant Group’s eleventh Pub and will replicate the other pub concepts operating in Ohio, Kentucky and Florida.

Pointe Orlando also announced the recent openings of Shopping Pointe, Shoe City and Elegant Adiccion Tattoo Studio. Shopping Pointe, located in 1,086 square feet, offers a wide selection of Florida and vacation themed t-shirts, shorts, hats, gifts and souvenirs.
