

2026 Trolley Opportunities

I-RIDE Trolley INTERIOR ADVERTISING DISTRICT PARTNER

The I-RIDE Trolleys offer additional advertising opportunities with high profile interior graphic display areas.

Side Displays

Spotlight your business on the walls that line the aisle of the I-RIDE Trolley.

Six available per trolley.
Size: 33" x 12" tall

Interior Rates: \$130/sign*
Production: \$80/sign

Back Wall Displays Horizontal or Vertical

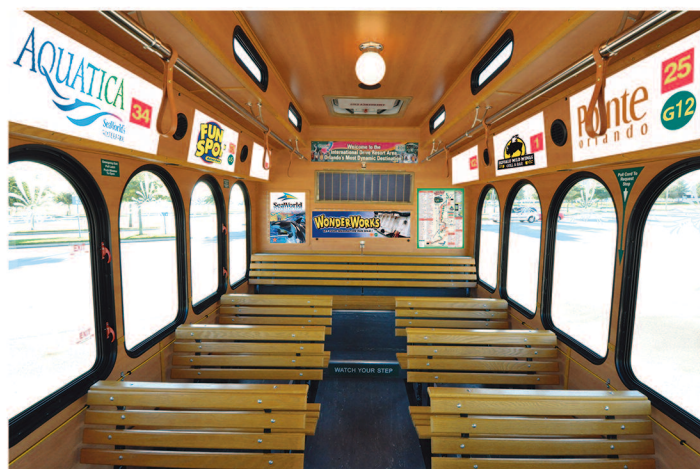

Located in the rear of each I-RIDE Trolley at eye level with boarding passengers.

Only two available per trolley.

Horizontal Size:
45" wide x 12" tall

Vertical Size:
17" wide x 23.5" tall

Interior Back Wall: \$220/sign*
Production: \$120/sign

*Advertising Rates are monthly.

Production Requirements:

Artwork Due: Two weeks prior to posting.

Design Software: Please choose program(s) that are intended for single page design, such as Illustrator and Photoshop. Multi-page layout programs, such as Quark, are inappropriate.

Resolution: The minimum input resolution for our printer is 100 dpi @ 100%. Keep in mind that if you are working at quarter scale, you will need to increase the resolution of your linked files to 400 dpi.

Linked Files: Be sure to link your image files – do not embed them. Embedded FPO's are OK.

File Formats: Linked files should be provided as .tif or .psb. The artwork, including the template layer, should be saved as .ai or .eps.

Bleed: Provide 1" bleed on all sides.

Fonts: Outline all fonts.

All interior signage is sold on a one month/four display minimum.

***Product guaranteed for 6 months.**
