I•RIDE Trolley Routes

It's easy to navigate the I•Drive Resort Area with our Trolley Stop marker system. I•RIDE marker signs are designated north and south bound and rise 10 feet high on both sides of the road.

All trolleys are green in color on both Red and Green Lines

Red Line

The Red Line Trolley route services the I-Drive Resort Area both north and south bound. There are 71 convenient Red Line Stops and trolleys arrive at each stop approximately every 20 minutes.

Green Line

The Green Line Trolley route is the counterpart service to the Red Line Trolley route traveling along Universal Boulevard. There are 57 Green Line stops and trolleys arrive at each stop approximately every 30 minutes.

Transfers

Trolley transfers are FREE. You can easily transfer between the Red and Green Lines at the transfer stops represented as stars. Just ask your trolley driver for a transfer ticket when exiting at a transfer stop. A transfer ticket is not needed if using an Unlimited Ride Pass.

On both the Red Line and Green Line you can transfer at:

I•DRIVE'S

Jewel

ORANGE COUNTY CONVENTION CENTER

The award-winning Orange County Convention Center is the second largest convention facility in North America with total square footage of 7 million. In recent years, the Convention Center has averaged nearly 200 events, including 115 conventions and tradeshows that attract more than 1.5 million attendees to the region each year.

Centrally located on International Drive in the heart of the tourist district, and only a 15-minute drive to Orlando International Airport, there are numerous types of events hosted in two exceptional buildings. The West Building showcases tropical atriums, skylights and inviting courtyards. With distinctive architecture and tropical ambiance, the North-South Buildings are designed for flexibility and functionality, featuring a dramatic 1,500-foot Oversight Pedestrian Bridge with moving sidewalks leading to the West Building. The Convention Center is surrounded by 125,000 guest rooms in the Central Florida region, including over 5,000 directly connected to the facility by pedestrian bridge. A broad offering of show management and exhibitor services, ranging from catering to telecommunications, are considered the finest in the convention industry.

Upcoming Plans

The Orange County Convention Center has embarked upon a \$605 million Capital Improvement Plan for two Campus Master Plan projects. The Convention Way Grand Concourse and the Multipurpose Venue expansion will bring total exhibit space at the OCCC to 2.3 million square feet.

The Multipurpose Venue brings an additional 200,000 square feet of contiguous exhibit space in the South Building. Overall, the South Building will have a total of 675,141 square feet of exhibit space for a grand total of 1.15 million square feet of exhibit space in the North-South Building. The Multipurpose Venue will also incorporate connectivity between the North and South concourses.

The Convention Way Grand Concourse expansion includes an additional 60,000 square feet of meeting space and an 80,000 square foot ballroom along with a new entry to the North-South Building along Convention Way.

I•RIDE Trolley Routes

It's easy to navigate the I•Drive Resort Area with our Trolley Stop marker system. I•RIDE marker signs are designated north and south bound and rise 10 feet high on both sides of the road.

All trolleys are green in color on both Red and Green Lines

Red Line

The Red Line Trolley route services the I-Drive Resort Area both north and south bound. There are 71 convenient Red Line Stops and trolleys arrive at each stop approximately every 20 minutes.

Green Line

The Green Line Trolley route is the counterpart service to the Red Line Trolley route traveling along Universal Boulevard. There are 57 Green Line stops and trolleys arrive at each stop approximately every 30 minutes.

Transfers

Trolley transfers are FREE. You can easily transfer between the Red and Green Lines at the transfer stops represented as stars. Just ask your trolley driver for a transfer ticket when exiting at a transfer stop. A transfer ticket is not needed if using an Unlimited Ride Pass.

On both the Red Line and Green Line you can transfer at:

I•DRIVE'S Jewel

ORANGE COUNTY CONVENTION CENTER

The award-winning Orange County Convention Center is the second largest convention facility in North America with total square footage of 7 million. In recent years, the Convention Center has averaged nearly 200 events, including 115 conventions and tradeshows that attract more than 1.5 million attendees to the region each year.

Centrally located on International Drive in the heart of the tourist district, and only a 15-minute drive to Orlando International Airport, there are numerous types of events hosted in two exceptional buildings. The West Building showcases tropical atriums, skylights and inviting courtyards. With distinctive architecture and tropical ambiance, the North-South Buildings are designed for flexibility and functionality, featuring a dramatic 1,500-foot Oversight Pedestrian Bridge with moving sidewalks leading to the West Building. The Convention Center is surrounded by 125,000 guest rooms in the Central Florida region, including over 5,000 directly connected to the facility by pedestrian bridge. A broad offering of show management and exhibitor services, ranging from catering to telecommunications, are considered the finest in the convention industry.

Upcoming Plans

The Orange County Convention Center has embarked upon a \$605 million Capital Improvement Plan for two Campus Master Plan projects. The Convention Way Grand Concourse and the Multipurpose Venue expansion will bring total exhibit space at the OCCC to 2.3 million square feet.

The Multipurpose Venue brings an additional 200,000 square feet of contiguous exhibit space in the South Building. Overall, the South Building will have a total of 675,141 square feet of exhibit space for a grand total of 1.15 million square feet of exhibit space in the North-South Building. The Multipurpose Venue will also incorporate connectivity between the North and South concourses.

The Convention Way Grand Concourse expansion includes an additional 60,000 square feet of meeting space and an 80,000 square foot ballroom along with a new entry to the North-South Building along Convention Way.
